Dear Principals/Persons-in-charge,

The Air Quality Health Index (AQHI) reaches the **Very High** level today. Please visit the websites of the Environmental Protection Department (EPD) and the Education Bureau (EDB) for appropriate measures to safeguard students' health and take note of the changes in the index for the rest of the week. The relevant hyperlinks are as follows:

Details of AQHI and relevant health advice at EPD website :

<http://www.aqhi.gov.hk/en.html>

Relevant guidelines at EDB website :

<http://www.edb.gov.hk/en/sch-admin/admin/about-activities/sch-activities-guidelines/index.html>

[http://www.edb.gov.hk/attachment/en/curriculum-development/kla/pe/references\\_resource/FAQs\\_AQHI\\_Eng\\_22\\_Jan\\_2014\\_final.pdf](http://www.edb.gov.hk/attachment/en/curriculum-development/kla/pe/references_resource/FAQs_AQHI_Eng_22_Jan_2014_final.pdf)

In order to enhance the communication between EDB and schools, important messages about the air pollution situation on school days will be sent to government, aided and Caput schools, and schools under the Direct Subsidy Scheme only through the Communication and Delivery System (CDS) or emails to other schools. Please check the schools' CDS or email accounts from time to time to ensure that the relevant messages can be received. Schools can also obtain the latest information on the AQHI or its forecast by visiting the EPD's website, making use of AQHI mobile Apps for smartphone/desktop computer programme or by dialling EPD's "Interactive Voice Recording System" on 2827 8541.
